## MILLINERY

With An Attractive Appearance

There is nothing so important to a  
woman's attire as a becoming hat. It  
is not necessary to spend a great sum  
to acquire a satisfactory style. The  
whole trick is in the "knowing how"  
of the millinery dealer. We can fit a  
hat to your particular needs which  
will not alone set off your gown in a  
satisfactory manner, but you will  
have a satisfied feeling about you that  
you are wearing a hat that is pleasing  
to yourself and to those about.
